

NICK CROWE AND MARK COX

NEWSLETTER NO. 1

KEEPING YOU UP TO DATE

Paramount City Benefit Night. 26th June @ 8 pm.

Paramount is selling out very fast but we hope to be able to get it one final hit on the radio if that is possible.

There is a coach from Ramsey at £8 return.
Leaving from:-
Sulby Glen @ 6.30,
Jurby @ 6.45 and
Ramsey @ 7.00 prompt
(Shoprite car park by recycle bins).

Note: 1.00am return.

All tickets for the coach must be re-ordered from 897240 or 431249.

There is an instant raffle (You buy a ticket and open it , it says if you have won straight away), but we could do with some more raffle prizes please.

There will be a cold buffet instead of a Hot Pot (it's too hot for that).

There will also be an Auction of some **very prized** memorabilia on the night.

And then of course there are **Three super D.J.'s**

The Shoprite Bag Pack was a huge success, and at such short notice. Most of the day we had more volunteers than was needed. I don't think Shoprite had had their customers through the checkouts so fast in such a long time.

Sidecar push / pull ~ What a wonderful response.

The requests for sponsor forms and posters has been wonderful. Dan Sayle & Darren Hope, Nick's past passengers will start the push. The Milntown Trust have very kindly offered to us the "Freddy Dixon" 1923 tilting sidecar (Worth an awful lot of money) to accompany the push. It was the first sidecar to win on the big circuit in 1923. G4s have found in the vault the Trophy he won that year, and have offered to bring that along with the two sidecar trophies to go on display with the sidecar outfit at various points to be advertised around the course. The mini-moto sidecars have offered their support by coming along, and Steve Colly has also offered his support by doing a display at the Grandstand when the boys get home. There will be refreshment points everywhere the Freddy Dixon side car is on display, we have the loan of a van for the day, but I could do with helpers to make sandwiches and pack refreshment boxes at the Glen on the day. Anyone who would like to bake some small cakes would be very welcome. Tesco has offered to supply water and Shoprite Ramsey have been asked for help with sandwich filling, I will ask Ramsey Bakery if they could help with some bread. One of the refreshments stops will be Mr Tony East's at Kirk Michael where he will open up his collection of vintage motorcycles to view. One company has sent 4 of it's employees over from England just to help push the sidecar around the course.

Sidecar Outfit.

The has been kindly loaned by Father Fagan and sprayed by Ruth Laidlaw, after which it has been lined (as in Tiles) by Signmann of Laxey. The purpose of this is to sell each tile for a minimum of £25 to put your name or your companies name on the outfit. The nose cone will be sold for £1000.00 or the highest bidder. We have two companies interested. If they don't buy it then the families names will go there. After the push the outfit will be lacquered and hopefully sold. (We will have to pay Father Fagan for his fairing) The outfit will be on show up at Onchan Park this weekend 27/28th If you wish to add your name.

On Line Auction

The name of the shop on e-bay is **Nick Crowe Fundraising**. We now have over 60 items to sell on E-bay, this will give the lads across the opportunity to help as well. There are some fantastic items it is well worth going on line to see what is available. Everything has been photographed, catalogued and put on to disc. There are limited edition pictures to one off shirts and leathers, motorcycle clothing, and T.T. memorabilia. If you would like to contribute to the on-line auction articles can be dropped off at The Sulby Glen Hotel. Or phone 897240 / 431249 and I will collect.
